**MEMORANDUM FOR: Director of Central Intelligence**

**VIA: Deputy Director (Science and Technology)**

**SUBJECT: Systems XIV and XV Capability for  
Cuban Contingencies**

1. The following is for your information as requested.

2. All Agency U-2C aircraft assigned to Detachment G, Edwards Air Force Base, (including SAC loaned aircraft) have been modified with a standard wiring configuration to accept Systems XIV and XV (C and S Band  jammers). Pods, tests, associated equipment and technical representative capabilities are available at Edwards Air Force Base.

3. Upon direction to supplement SAC's capability I can deliver and generate a jamming capability within 48 hours and maintain the status for the duration.

(Signed) Jack C. Ledford
